61. For the amount of all rates leviable under this Act in respect of any goods the Board shall have a lien on such goods, and shall be entitled to seize and detain the same until such rates are fully paid. Rates in respect of goods to be landed shall become payable immediately on the landing of such goods. Rates in respect of goods to be removed from the premises of the Board or to be shipped for export shall be payable before such goods are removed or shipped. The lien for such rates shall have priority over all other liens and claims, except for general average, for the ship-owner's lien for freight upon the said goods (where such lien exists and has been preserved in the manner hereinafter provided), for primage and for money payable to Her Majesty or to the Secretary of State for India in Council.

Lien for
freight pre-

continue liable to the same lien, if any, for such charges as they were subject to before the landing thereof. Such goods shall be retained either in the warehouses and sheds of the Board, or, with the consent of the Chief Customs authority of the Presidency, in the public warehouses, at the risk and expense of the owners of the said goods until the lien is discharged as hereinafter mentioned.

63. Upon production to the proper officer of the Board of a document purporting to be a receipt for the amount claimed as due, or a release of freight from the person by or on whose behalf such notice shall have been given, it shall be lawful for the Board to permit such goods to be removed without regard to such lien, provided they shall have used reasonable care in respect to the authenticity of such document.

Discharge of lien by payment or release.

64. If the rates payable to the Board in respect of any goods are not paid, or if the lien of the ship-owner for freight, when such notice as aforesaid has been given, is not discharged, the Board may, and in the latter event, if required by or on behalf of the person claiming such lien for freight, shall, at the expiration of two months from the time when the goods were placed in their custody, or if the goods are of a perishable nature, at such earlier period (being not less than twenty-four hours after the landing of the goods) as they shall think fit, sell by public auction the said goods, or so much as may be necessary to satisfy the amounts hereinafter directed to be paid out of the produce of such sale.

If rates not paid, or lien for freight not discharged, goods may be sold after two months.

Before making such sale, ten days' notice of the same shall be given by publication thereof in the Bombay Government Gazette, unless the goods are of so perishable a nature as, in the opinion of the officer aforesaid, to render their immediate sale necessary or advisable, in which event such notice shall be given as the urgency of the case admits of.

If the address of the owner of the goods has been stated on the manifest of the cargo or in any of the documents which have come into the hands of the Board, or is otherwise known, notice shall also be given to the owner of the goods by letter delivered at such address, or sent by post; but the title of a *bona fide* purchaser of such goods shall not be invalidated by reason of the omission to send the notice hereinbefore mentioned, nor shall any such purchaser be bound to inquire whether such notice has been sent.

65. In every case of any such sale as aforesaid, the moneys received from the sale shall be applied as follows:—

(VII.—Of the Powers and Functions of the Board. Secs. 66-68.)

secondly, in payment of the expenses of the sale ;

thirdly, in payment of the rates and expenses due to the Board in respect thereof.

The surplus, if any, shall be paid to the owner of the goods or his agent on his applying for the same, provided such application be made within one year from the sale of the goods, or good reason be shown why such application was not so made, to the satisfaction of the Board ; and in case such application shall not be so made, nor reason shown, such surplus shall be applied by the Board to the purposes of this Act.

non-payment
of rates, etc.

66. If the master of any vessel in respect of which any rates, charges or penalties shall be payable under this Act, or any bye-laws made in pursuance hereof, shall refuse or neglect to pay the same, or any part thereof, on demand, it shall be lawful for the Board to distrain or arrest, of their own authority, such vessel, and the tackle, apparel or furniture belonging thereto, or any part thereof, and detain the same until the amount so due shall be paid ; and, in case any part of the said rates or penalties or of the costs of the distress or arrest, or of the keeping of the same, shall remain unpaid for the space of fifteen days next after any such distress or arrest shall have been so made, the Board may cause the vessel, or other thing so distrained or arrested, to be sold, and with the proceeds of such sale may satisfy such tolls, dues, rates, penalties or charges and costs of sale remaining unpaid, rendering the surplus (if any) to the master of such vessel on demand.

Port-clearance
not granted
till rates, etc.,
are paid.

67. If the Board shall give to the officer of Government whose duty it is to grant the port-clearance of any vessel a notice stating that an amount therein specified is due in respect of rates, charges or penalties chargeable under this Act or any bye-laws or orders made in pursuance hereof, against such vessel, or the owner or master of such vessel, in respect thereof, such officer shall not grant such port-clearance until the amount so chargeable shall have been paid.
